Hook Vets is your local RCVS accredited veterinary practice, currently located conveniently in the centre of Hook, with exciting plans to move to a brand-new purpose built premises on the east side of the village within the next couple of years.

Over the decades, the practice has grown and developed through the support and dedication of many longstanding professional staff and an unfailing commitment to animal welfare and excellent care for the companion animals in our area.

The team comprises 8 veterinary surgeons, 8 RCVS registered veterinary nurses, 2 trainee veterinary nurses, 1 nursing assistant, 4 receptionists and a practice administrator. We have an on-site laboratory, operating theatre, dental facilities including dental x-rays, x-ray and ultrasound to ensure your beloved pet can receive the most up-to-date investigations and treatments in a familiar and friendly environment.

Clients travel from literally on the doorstep to far and wide to maintain continuity of quality advice, experience and clinical expertise.

Hook Parish
Council

HOOK PARISH COUNCIL

Hook Parish Council office is located within Hook Community Centre. We are comprised of 5 paid members of staff (Officers) and 12 elected volunteer Councillors who serve a four-year term. The current Council was formed in May 2023 and serves until May 2027. We currently have a vacancy for one Councillor to be co-opted. For more details, please contact the Clerk – clerk@hook.gov.uk All our Council and Committee meetings are open to the public to attend, in person or online and we welcome input from residents.

We own both the Hook Community Centre and Elizabeth Hall, which are fantastic amenities for local residents; we own and manage Hook Cemetery, 10 play areas and open spaces across the village, including the skatepark in Hartletts Park. Each year we provide the Christmas tree and festive lights and hanging baskets in the summer months. We provide support to local groups by way of grant funding and take an active role in planning matters affecting Hook. We also provide free dog waste bags, available from the Parish office and give advice and signpost enquiries from residents to the relevant authorities.

For more information about the Council and the work we do, please visit our website www.hook.gov.uk, or our Facebook page.

WELCOME to your 2025 HOOK VILLAGE SHOW...

... where 5 hours of fun & entertainment awaits you!

What's going to be first on your list: Food? Shopping? Entertainment? Rides? Deciding what to do and when will be a challenge whether you are regular attendee or a newcomer to the 6th Hook Village Show.

Watch out for flying falcons in the main arena during **the Ridgeside's Falconry Demonstration** and dog lovers will have double entertainment this year with both the **Ridgeside's Little Nipper Display** and the **Dog Show**. There are new categories for the Dog Show as well this year; your pet just might be the one crowned *Waggiest Tail* by the judge from Hook Vets.

Alongside the **Basingstoke Silver Band** and the **BSB Cavaliers** to help us get into the beat of things, the **Snow Queen and Snowman** will help keep us all cool on the day. **Hook Eagle Morris** will be performing both in the arena and in the Food Court area.

In addition to the main arena events, there are still the Food Court, Stalls, Fairground, and vehicle attractions to be considered before calling it a day. In all the excitement, do not forget about the **free prize draw** ticket on the back of this programme to win one of the fabulous prizes listed on back page. Like the Dog Show, you must enter to have a chance of winning.

The Hook Village Show is run in partnership between the **Hook & Odiham Lions Club** and the **Hook Parish Council**, and we thank **Odiham & Hook Rotary Club** for their continued help in holding this event.

Hook & Odiham Lions Club uses proceeds from today to help fund what we do in the community from helping individuals, groups and charities to funding prostate cancer screening events and increasing the number of defibrillators in the area. **By supporting the Hook Village Show you are also helping us support the community.**

We hope you enjoy the show and if you have any suggestions or questions, pop over to the **Information Tent** and have a chat. We will be very pleased to see you.

HEADLINER : Ridgeside 'Little Nippers' and Falconry Display

"Little Nippers Racing"

Phill and Tracy Gibbons of Ridgeside invite you to see their fantastic dogs do what comes naturally to them!

The 'Little Nippers' are the latest addition to the Ridgeside Family – and they can't wait to bring real mayhem to shows and fayres all over the UK with the 'Little Nippers Racing'.

In the arena they will race both over obstacles and at full speed chasing the electric lure. There will be a fast, action-packed demonstration with an informative and humorous commentary by Phill.

You will have the chance to "have a go" with your own dogs – whatever their breed!

Not only great fun for the dogs – you will love it too!

Falconry Display

Ridgeside Falconry is the largest mobile display team in the Country providing County Shows, Carnivals, Fairs and Special Event Days with Falconry Demonstrations.

The Birds of Prey Demonstrations consist of a static display of approximately 10 Birds of Prey from around the world, including owls, falcons, hawks, eagles and vultures, plus spectacular free flying display lasting between 20-30 minutes.

Falconry Display and The 'Little Nippers' Racing will take place respectively at 13.15 and 14.45 in the main arena. Don't miss it !

The universal motto of the Lions Club International is 'We Serve' and all clubs are here to help their local community.

As Lions, all our members believe that we can make life a little better for others, while enriching our own in the process. We focus on serving and engaging in our local communities to improve the quality of life for many. You may be interested to know where the money we raised this year has made a difference! So here goes!

Apart from a small amount of money going to national or international causes (4%), the **£27,000** we raised has been donated as follows:

Lions-led special programmes such as prostate screening, defibrillators installations, child sight programme	44%
Donations to specific individuals in need	21%
Supporting other local charitable organisations	17%
Events to support special needs children or less fortunate families	9%
Supporting our local schools and young people	5%

*If you want to know more about our programmes or want to be involved, come and talk to us at the **information tent**. We would love to see you!*
